FOREWORD

The Cambridge Directory for 1906, number 55 in the regular series, is herewith presented to our patrons and the general public with the hope that it will be as useful in the future as it has been in the past.

The publishers have spared no pains or expense in compiling and printing this issue of the Cambridge Directory and believe that with its new type and good quality of paper it will compare favorably with any work of this nature on the market. Some of its up-to-date features are a Miscellaneous Department, Membership of Citizens Trade Association, Colonial and Cambridge Clubs corrected to date, and regulations of the Post Office Department.

We send it on its mission, bespeaking a liberal patronage for the live business men whose business is clearly presented within its covers.

With the support of this thriving municipality the Cambridge Directory will be up-to-date always. Thanking all who have aided us in any way, we remain

Respectfully,

W. A. GREENOUGH & CO.

Harvard Dentists

Incorporated

Is a dental association, organized for the purpose of supplying Boston and vicinity with the highest class of dental service at moderate prices. Only duly qualified dentists, who are graduates of HARVARD UNIVERSITY, are engaged by the association, which, under no circumstances, will employ students to operate upon patients. The dentist in charge is

Dr. Robert J. McMeekin

who, from 1896 to 1899, was

Assistant Demonstrator of the Mechanical Department of Harvard University Dental School

and who, from 1899 to 1904, was

Demonstrator in Charge of the Operative Department of Harvard University Dental School

¶ Every dentist who graduated from HARVARD during those periods passed through Dr. McMeekin's hands, and their individual qualifications are known to him. He selects, therefore, only the highest qualified, both mechanical and operative, to be associated with him. Dr. McMeekin has also been in active practice in this city since 1896.

¶ The apartments are the best and have the most modern equipment of any in Boston.

¶ Persons coming for treatment can rest assured of receiving personal attention from Dr. McMeekin.

¶ No cheap work will be done and no exorbitant charges made.

¶ The highest skilled professional services will be rendered to all patrons.

¶ Examinations and other professional services, where desired and possible, will be conducted at the patients' homes, if within reasonable distance of the city, and appointments can be made for treatment at the office any time most convenient to the patient, even if outside the regular business hours.

INSTRUCTIONS TO KEY HOLDERS

Alarms to be giver from the box nearest the location af the fire.

Do not give an alarm for a fire seen at a distance, unless assistance is called for.

Togive an alarm, open the door pull the hook to the bottom of the slot once, and let go. Each box contains a small bell, which, if heard before you pull indicates that and alarm has been previously given, and by listening at the box, you will learn the number of box from which the alarm is given, but in no case will you pull the hook while the alarm is stricking. After giving the alarm, remain at the box so as to direct the firemen to the fire. Be sure that you lock the box before leaving it .

Citizens are requested to inform themselves where keys to the signal boxes are kept, signs suitably inscribed being placed over each box giving the requisite information.

First alarm will be given by striking two or more rounds of box number

Second alarm will begiven by striking three blows followed by box number

Third alarm will be given by striking three blows twice on gongs, bells and whistles

General alarm will be given by striking three blows three times on gongs, bells and whistles.

Beautiful.
Economical
Healthful.
Fireproof.
Durable.
MURESCO
Muresco is artistic; it produces a finish that has a soft, smooth, silky appearance which is very agreeable and restful to the eye. It is cleaner and more healthful than wall-paper, wears better and is fireproof. Muresco is good enough for the finest decorations, cheap enough for the coarsest work.
Ask your dealer or write us for tint card, etc., also a beautiful Map and Safety Matches Free.
GOULD & CUTLER 105 North St. Boston.

Make sure that

"MURESCO"

is not only used on the **WALLS** and **CEILINGS** of your house but also on your **CELLAR WALLS.** It is **White, Sweet, Clean,** fireproof and free from Arsenic. It is really cheaper than whitewash as it lasts longer, will not scale or rub and generally one coat is sufficient.

"MURESCO"

the best wall finish, is invaluable for Churches, Schools, Halls, Houses, Basements. Buy "**MURESCO**" of your Dealer or Painter
